

HKFSTA Plant Visit 2015

The Hong Kong Food Science and Technology Association is proud to announce a **one-day plant tour** to two leading food manufacturing plants in China:

1. GUANGDONG JIASHILI FOOD GROUP CO., LTD 廣東嘉士利食品集團有限公司
www.gdjsl.com

A leading biscuit manufacturer in China, situated in Kaiping. It is a listed company in HKSE since 25th September, 2014. The production capacity is over 120,000 tons per year. The company has been awarded China Top Brand, China Well-Known Trademark and National High Quality Product, among other recognition.

2. DONGGUAN CONTINENTAL FOOD CO., LTD 東莞歐陸食品有限公司
www.scanfoods.com.hk

A meat processing plant under the Café de Coral Group situated in ChangAn. It produces ham, sausages and some dim sum products that supply both the Hong Kong as well as the local markets in southern China. The company is known for its good consistent quality with certification in ISO22000.

- Date** : 27th June, 2015 (Saturday)
Venue : Futien border (China) in front of 水立方
Time : 09:00 (leaving Futien) – 18:30 (disband in Futien)
